

2-Day Virtual Course

THURSDAY AND FRIDAY
SEPTEMBER 7-8, 2023
10:00 AM - 3:00 PM EST

DC Department of Behavioral Health Presents Clinical Guidance for Treating Pregnant and Parenting Women With Opioid Use Disorder and Their Infants

Join our two-day virtual training that will provide comprehensive and evidence-based information for the management of pregnant and parenting women with opioid use disorder and their infants. From this training, we aim to help healthcare and behavioral health professionals and patients determine clinically appropriate action for individualized treatment decisions.
