

No-cost training and technical assistance for *whole-person care*

Integrated Care DC will help ensure you have the infrastructure, knowledge, and tools you need to:

- ✓ Deliver **patient-centered care** across the care continuum
- ✓ Use **population health analytics** to address complex needs
- ✓ Engage **leadership** to support person-centered, value-based care

Integrated whole-person care improves quality and outcomes and increases provider and beneficiary satisfaction.

Integrated Care DC is managed by the DC Department of Health Care Finance (DHCF) in partnership with the DC Department of Behavioral Health (DBH). This project is supported by the U.S. Department of Health and Human Services (HHS). A total of \$3,500,365, or 81 percent, of the project is financed with federal funds, and \$810,022, or 19 percent, is funded by non-federal sources. The contents are those of the author(s) and do not necessarily represent the official views of, or an endorsement by, HHS or the U.S. Government.
